Dear Staff,

I have read about the 1973 fire that destroyed many military records. Enclosed please find copy(s) of military documents issued to me that lists the names and serial numbers of other personnel. When possible, please place a copy of these documents in the existing files or rebuilt files of each person listed. It may help these veterans or their family members who are seeking the information on my copy(s).

Thank you,

Signed: \_\_\_\_\_
